

Deer Free®

Winter Armor™ Deer Protection.

Please read thoroughly before using. This product contains latex. Do not use on fruit trees or edible crops. Be sure shrub is dry before applying. Do not store below 32 degrees. Deer Free Winter Armor also acts as an antidesiccant (protects against winter wind burn).

CONCENTRATE

Directions:

Shake well before using. Pour 25.6 oz of Deer Free Winter Armor into water to make 1 gallon of ready to use. Shake well. Pour into sprayer. Spray on top and bottom of leaf to assure proper coverage. Allow to dry before rain fall. *One application lasts all winter long. Not necessary to re-apply. Can be applied as early as September. 320oz concentrate makes 12.5 gallons of ready to use and covers approx. 50,000 sq.ft. Sprays on a milky color. Dries clear. When sprayer(s) are empty rinse well with warm water. *If winter is severe recheck for deer browsing. Re-apply if necessary.

Garden Girls Repellents™ LLC is dedicated to developing products that effectively reduce pest damage and asserts that it complies with EPA regulations for 25(b) exempt pesticides.
