

100% NATURAL

DEER OUT[®]

Covers 100,000 sq ft.

DEER OUT will effectively repel deer, moose and elk from all garden areas, shrubs, forest & fruit trees, flowers, vegetable gardens and row crops.

DEER OUT will not easily wash off in the rain. All ingredients found in environmentally friendly DEER OUT contain no animal waste, blood or urine, DEER OUT LLC represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.

Directions:

1. Shake well prior to using.
2. Add 13 oz of concentrate to 115 oz of water to make 1 gallon of ready to use solution.
3. Apply mist completely covering entire plant, be sure to cover both the top and bottom of all exposed areas.
4. Apply every 30 - 90 days or as needed.

During the rapid growing stages of your plantings, intense animal pressure or heavy rain, you must reapply more often. Store in a cool dark place out of the sun. Do not apply to plants when harvestable food commodities are present, including blossoms.

Perimeter spraying of areas can be effective, but the best defense is to spray frequently and directly on and around the plants you want to protect.

Note: During periods of intense heavy rain, more frequent applications may be necessary.

Caution: Keep out of reach of children. If swallowed call a doctor immediately for treatment advice. In the event of eye contact or prolonged exposure to skin gently rinse with water for 15-20 minutes and contact a doctor immediately for treatment advice.

Active Ingredients: Peppermint Oil 1.77%, Garlic Oil 0.95%, White Pepper .050%, Putrescent Whole Egg Solids 1.25%

Inert Ingredients: 95.98%, Water, Gum Arabic, Vinegar, Vegetable Oil.

Money Back Guarantee

If you are not 100% satisfied, return the unused portion of the bottle within 30 days of purchase to Deer Out LLC, P.O.Box 290, South Plainfield, NJ 07080. Deer Out LLC will not be liable for damage, direct or incidental. Refund or replacement of the product is our only obligation. Due to variations in trade practices, our money back guarantee does not apply to concentrates in sizes 2 1/2 gallon or larger that are being used for commercial applications or farm use.
