Phosphorus Plus

3-30-3

PRODUCT INFORMATION

Harrell's MAX Phosphorus Plus 3-30-3 is an integral part of a complete fertility program. Use Harrell's MAX Phosphorus Plus 3-30-3 along with other Harrell's products as part of a regular fertilization program.

DIRECTIONS FOR USE

Harrell's MAX Phosphorus Plus 3-30-3 should be mixed with a sufficient amount of water to allow for thorough coverage. A jar compatibility test should be performed on unknown chemical combinations prior to mixing and application.

Apply fertilizer in accordance with best management practices established by your State University or Cooperative Extension Service. Observe any State or Local fertilizer regulations pertaining to fertilizer content, application rates, or timing of application specific to your locale.

RECOMMENDED RATES

Turfgrass: Apply 2 - 4 oz. per 1,000 sq. ft. every 7 - 14 days or as necessary during growing season.

Ornamentals: 1-2 qts per 100 gallons of water.

Agriculture Crops: Apply 0.5-1.5 gallons per 100 gallons. Repeat every 2 - 4 weeks as necessary. Apply in sufficient water to ensure thorough coverage.

STORAGE AND CONTAINER DISPOSAL

Store above 32°F. Store this product in a dry place, in original container only. Keep lid tightly closed. Keep away from open flame or intense heat. Triple rinse container and offer for recycling or dispose of in accordance with federal, state and local authorities.

CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to Seller within Thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The Seller's liability under this warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. There are no warranties which extend beyond this statement.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals>.
